DIGITAL OPERATION & SECURITY MONITORING

PROTECTING YOUR MICROSOFT 365 BUSINESS/ENTERPRISE ENVIRONMENT

Microsoft 365

Microsoft 365 powers the modern workplace.

Your people rely on it every day for email, files, meetings, collaboration, and business continuity.

When something goes wrong, it impacts everyone.

YOUR BUSINESS.
OUR MISSION.
ALWAYS
PROTECTED.

WHY IT MATTERS TO YOU

THREATS TARGET WHAT YOU USE

Attackers target Microsoft 365 accounts, emails, files and collaboration tools every single day.

BUSINESS DISRUPTION IS COSTLY

Downtime, data loss or ransomware can stop your operations and hurt your reputation.

IDENTITIES ARE HIGH VALUE

Compromised accounts can give attackers access to sensitive data and your whole business.

DATA LIVES IN THE CLOUD

Your files, emails and conversations are in Microsoft 365—protecting them is critical.

COMPLIANCE & CUSTOMER TRUST

Stronger security helps you meet requirements and build confidence with customers and partners.

WHAT WE PROTECT IN MICROSOFT 365

EMAIL Outlook

Secure your email from phishing, spam and malicious links.

COLLABORATION Microsoft Teams

Protect chats, meetings and shared content from threats.

FILE & CONTENT SharePoint

Safeguard documents, sites and permissions from unauthorized access.

FILE STORAGE OneDrive

Monitor file access and sharing to prevent data leakage.

USER IDENTITY Microsoft Entra ID

Protect user accounts and privileged access from compromise.

ENDPOINTS & DEVICES

Ensure managed and unmanaged devices are secure.

BUSINESS APPS & INTEGRATIONS

Monitor third-party apps and integrations for unusual activity.

Powered by Microsoft 365 Security tools including Microsoft Defender, Entra ID Protection, Purview, and more.

WHAT WE DO FOR YOU

MONITOR

We continuously monitor Microsoft 365 activity across users, apps, devices and data.

DETECT

AI and expert analysis identify suspicious behavior early.

INVESTIGATE

We analyze and validate alerts to understand the real risk.

RESPOND

We act fast to contain threats and protect your business.

REPORT

You receive clear reports and actionable insights for management.
